

## Managing DVM

### Position Overview

Are you looking to be part of a practice that's revolutionizing the Vet Med industry? Do you want leadership and growth opportunities? Do you want to be integral in building and growing a new concept? If you answered yes to any of these questions, we have the perfect opportunity for you!

### Location

Our client is located in Tampa, Florida. Tampa is known for its natural beauty, diverse culture, and many attractions. Due to its combination of vibrant city life and laid-back coastal lifestyle, it combines the best of both worlds. Located on the west coast of Florida, enjoy an average annual temperature of 73 degrees and an average of 250 days of vibrant sunshine per year. No matter what your interests are, Tampa can fulfill - attractions such as the Busch Gardens, Zootampa, and countless museums and aquariums will keep the whole family engaged. A fun fact, the Cuban sandwich was invented in the heart of Tampa in the 1890's.

### Practice Overview

Our client is at the forefront of the Veterinary industry with their unique practice model that delivers pet health and wellness services straight to their clients. This mobile and holistic approach allows better healthcare for pets, more convenience for clients, and the most flexibility for their veterinarians. They're redefining veterinary care by blending the resources and opportunities of corporate practices with the culture and autonomy of locally owned practices. Plus, they love to grow within and are looking for team members who want to be rewarded for being part of their growth strategy.
